

TOURIST TAX IN VERONA

The tourist tax - adopted by City Council Decision no. 61 on 12th July 2012 - effective from 1st August 2012—modified by City Council Decision no.10 on 13th February 2014.

INFORMATIONS FOR GUESTS

Tax purpose

The tourist tax is destined to finance tourism actions, including support to accommodation facilities, maintenance, accessibility and restoration of cultural heritage and environmental sites. It is also intended to support local public services.

How much is due

The tax is due per person per night up to a maximum of 5 consecutive nights per month, subjects of exemption in the above-mentioned City Council Decision.

Who pays this tax

Non-resident visitors over the age of 14 years, spending one or more nights in local accommodation facilities, have to pay a tourist tax. The tax is collected by facility owners/managers, who have to provide receipt of payment to the guests. People omitting the payment will incur sanctions established under the National Law.

Main groups exempt from paying tourist tax:

- a. Verona registered residents;
- b. children under the age of 14;
- c. people staying overnight in youth hostels;
- d. official guests of Verona City Council, as their stay fees are covered by the local authority;
- e. patients undergoing therapies and medical examinations in public and private healthcare establishments located within the municipal territory, and their accompanying persons (one accompanying person per patient);
- f. people assisting in-patients and/or medical care beneficiaries, hospitalized or waiting for admission to public or private healthcare establishments located in the municipal territory (one accompanying person per patient);
- g. parents or their designated representatives, assisting minors hospitalized in healthcare establishments within the municipal territory (maximum two people per patient);
- h. non-self-sufficient disabled people and their accompanying persons;
- i. coach drivers and guides of organized groups (the exemption is applied to two coach drivers and one guide for every 25 persons); workers from the transport & logistics sectors needing a day off;
- j. members of the Armed Forces, State/Local Police and Fire Brigade, staying overnight for work reasons.
